SEVENTY LIVES LOST

When American Transport, Home-
ward Bound, Sinks—All Naval
and Army Officers on Board
Vessel Are Rescued.

Washington, October 19 — The
American transport Antilles, home-
ward bound under convoy, was tor-
pedoed and sunk by a German sub-
marine in the war zone Wednesday.
About seventy men are missing and
probably lost.

All the army and navy officers
aboard and the ship's master were
among the 167 survivors.

The missing are members of the
crew, three civilian engineers, some
enlisted men of the navy and seven-
teen of thirty-three soldiers return-
ing home for various reasons.

Neither the submarine nor the tor-
pedo was seen and the transport, hit
squarely amidships, sank in five
minutes.

This tragedy of the sea, the first in
which an American ship engaged in
war duty has been lost has been the
first of its magnitude to bring home
to the people of the United States the
rigors of the war in which they have
engaged against Germany.

It carries the largest casualty list
of the war of American lives, and
marks the first success of German
submarine attacks on American trans-
ports.

That the loss of life was not great-
er is due to the safeguards with which
the navy has surrounded the trans-
port service, and the quick rescue
work of the convoying warships.

Secretary Daniels announced the
disaster tonight in a statement based
upon a brief dispatch from Admiral
Sims which gave few details and did
not say whether it was a day or night
attack. An accurate list of the miss-
ing cannot be issued until General
Pershing reports the names of the
army men on the vessel and the list
of the merchant crew.

Following is the announcement:
"The Department is in receipt of a
dispatch from Vice Admiral Sims,
which states that the steamship An-
tilles, an army transport, was tor-
pedoed on October 17, while returning
to this country from foreign service.
This vessel was under convoy of
American patrol vessels at the time.

"The torpedo which struck the An-
tilles was not seen, nor was the sub-
marine which fired it. The torpedo
hit abreast of the engine room bulk-
head, and the ship sank within five
minutes. One hundred and sixty-sev-
en persons out of about two hundred
and thirty-seven on board the Antilles
were saved.

"All the navy officers and officers of
the army who were on board the ship
at the time were saved, as were the
officers of the ship, with the exception
of the following: Walker, third en-
gineer officer; Boyle, junior engineer
officer, and O'Rourke, junior engineer
officer.

"The following enlisted naval per-
sonnel were lost: E. L. Kinzey, sea-
man, second class, next of kin, Thom-
as M. Kinzey, father, Water Valley,
Miss.; J. W. Hunt, seaman, second
class, next of kin, Isaac Hunt, father,
Mountain Grove, Mo.; R. No. 2,
Box 44; C. L. Ausburn, radio electri-
cian, first class, next of kin, R. A.
Ausburn, brother, 2800 Louisiana ave-
nue, New Orleans, La., and H. F. Wat-
son, ardio electrician, third class,
next of kin, Mrs. W. L. Seeger, moth-
er, Rutland, Miss.

"There were about thirty-three of
the army enlisted personnel on board,
of whom seventeen were saved. The
names of the missing of the army en-
listed personnel and of the merchant
crew of the ship cannot be given un-
til the muster roll in France of those
on board has been consulted. As soon
as the department is in receipt of fur-
ther details concerning the casual-
ties they will be made public immedi-
ately.

Quick upon the wave of sorrow at
the news of the loss of the transport
came a feeling of distinct relief be-
cause she had met her fate homeward
bound and not on the way over with
troops. The only soldiers on board
were returning to the hospital or on
special assignment.

Had the full complement of the
transport been aboard, the loss would
undoubtedly have been written in
hundreds, as she was struck in the
most vulnerable spot and went under
so swiftly that few could have es-
caped.

WAR GARDEN CANNING EXHIBIT

The committee in charge of the
War Garden Canning Exhibit requests
all entries be brought to the Cham-
ber of Commerce Monday. Entries
close Wednesday noon.

The committee have been asked if
the exhibitors must bring the food
to the Chamber of Commerce and pre-
pare it. This is not the requirement.
The judges will make the award to
the best appearing exhibit. No cans
will be opened.

All exhibits will be numbered so
the judges may pass unbiased judg-
ment.

The first prize \$5.00 is worth any
ones efforts right now and the second
prize of a National Certificate of Merit
will be no small honor.

A large exhibit will bear evidence
to our Government of Maysville's Pa-
triotic response to her call for the
raising of additional food.

COUNTY TEACHERS GIVEN LIB- ERTY HOLIDAY

President Wilson has designated
Wednesday, October 24, as Liberty
Loan Day, and for this reason a half
holiday will be given to all schools of
the county that actually observe the
day.

At a meeting to be held in Maysville
a speaker of national reputation will
be present. We want as many teach-
ers and pupils as possible to attend
this meeting.

DON'T WAIT

The Second Liberty Loan subscriptions have been lagging. There is hardly a district, hardly a community, where the total is as high as it should be, considering the amount to be raised and the time given to raise it.

There is no question that the loan will be subscribed, with a liberal surplus. It is unimaginable that any section or any city should not play its part generously and patriotically. There are thousands of people everywhere who intend to buy their bonds before the end of the month. But all these well-meaning folk should understand that a subscription at the eleventh hour, apparently meant to save the loan from failure, is not what the United States wants, and not what the situation calls for. It is almost literally true that he subscribes twice who subscribes now.

Delay will arouse grave fears of the loan's success. It will unduly alarm millions of Americans. It will tend to dishearten our allies and make our enemies exult. For the honor of the country and the complete success of the war, the loan campaign should be a continuous triumph in every phase, from beginning to end.

There's an immediate, practical consideration, too. If the majority leave their bond-buying till the last few days, the banks, bond houses, and other establishments that are handling the loan will be swamped in the rush. Be fair to these institutions—particularly since they are doing the work at their own expense. Make as little trouble for them as possible. Buy now.

TALK

Do you, if a man, discuss the chances of war in the idliest possible fashion, guessing from headlines about how long it will take Sir Douglas Haig to plow through ten miles of mud? And then do you ever to the weather, and how long you can manage without starting the furnace, and "what do you say to a little bridge?"

If you are a woman, do you remark that it's dreadful the way the war is raising prices, and you had to pay fifteen dollars for a coat for the small child, and you just put up a bushel of string beans, and you'd think some of those idle women on the street might heed the Red Cross calls, because you are too busy, and yes, you'll take a hand if they want you to?

Of after dinner do you go to the movies, not, justifiably, because they give you recreation which will cheer you up and give you new zest for tomorrow, but simply because you have an empty mind and they kill them?

The art of talking is the finest art there is. Nor is there a more absorbing game than good conversation. Now is the time to get into it.

Never was the air so charged with ideas—big ideas, new ideas. Never were the possibilities of remaking this sorry world entire so imminent. If never before you have exercised your wits upon problems, start this evening. Look over the paper intelligently. Try to realize what is going on, and, with your friends, make the effort to find out what it means today and will mean to the world of the future.

Conversation should not be a rough game. Don't grab the conversational ball and run away with it. Don't maul the fellow till he hates you. Play tennis with it, passing it lightly back and forth from one player to another, giving each his opportunity and stimulus.

There may have been a time when men and women were measurably justified in confining their talk to their separate bromides. That day is gone. Good talk is the glowing exercise of the spirit. Try it and see.

Bay City miners want more money. That's nothing so does everybody else.

Notice to Sick Women

The Experience of These Women Prove That There is a Remedy for Your Illness.

Abodeen, Idaho.—"Last year I suffered from a weakness with pains in my side and back. A friend asked me to try Lydia E. Pinkham's Vegetable Compound and I did so. After taking one bottle I felt very much better. I have now taken three bottles and feel like a different woman. Lydia E. Pinkham's Vegetable Compound is the best medicine I have ever taken and I can recommend it to all suffering women."—Mrs. PERRY PARRISH, Abodeen, Idaho.

Kingfisher, Okla.—"For two years I suffered with a severe female trouble, was nervous, and had backache and a pain in my side most of the time. I had dizzy spells and was often so faint I could not walk across the floor. The doctor said I would have to have an operation. A friend asked me to try Lydia E. Pinkham's Vegetable Compound. After taking ten bottles I am now well and strong, have no pain, backache or dizzy spells. Every one tells me how well I look and I tell them Lydia E. Pinkham's Vegetable Compound did it."—Miss NINA SOUTHWICK, R. F. D. No. 4, Box 33, Kingfisher, Okla.

GLAD TO TESTIFY

Says Watoga Lady, "As To What Cardui Has Done For Me, So As To Help Others."

Watoga, W. Va.—Mrs. S. W. Gladwell, of this town, says: "When about 15 years of age, I suffered greatly. Sometimes would go a month or two, and I had terrible headache, backache, and bearing-down pains, and would just drag and had no appetite. Then... it would last... two weeks, and was so weakening, and my health was awful. My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three... I gained, and was well and strong, and I owe it all to Cardui. I am married now and have 3 children... Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others."

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not try Cardui a trial? Recommended by many physicians. In use over 40 years. Begin taking Cardui today. It may be the very medicine you need.

URIC ACID IN YOUR FOOD

Maysville People Must Learn the Danger of a Heavy Meat Diet.

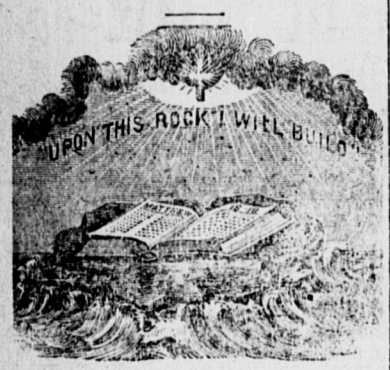

Even dogs can eat too much meat. Certainly, many people "dig their graves with their teeth." Few get enough exercise to justify meat more than once a day. Meat brings uric acid. The kidneys try hard to get rid of that poison. But often a backache or some other unusual ailment will show that the kidneys need help. The time-tried remedy, then, is Doan's Kidney Pills. The remedy backed by Maysville testimony. Read this case.

Mrs. W. A. Schatzmann, 605 E. Second street, Maysville, says: "From the benefit I have received from Doan's Kidney Pills, which I buy at Chas. L. Drug Store, I have every reason to recommend them. Whenever my kidneys have been irregular in action or I have suffered from weakness and lameness in the small of my back, I have used Doan's Kidney Pills. They have always proven sufficient to quickly cure and attack."

Mrs. Schatzmann is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mrs. Schatzmann uses—the remedy backed by home testimony, etc. all stores. Union Labor Indorses Liberty Bonds

By John A. Voll, President Ohio State Federation of Labor.

Organized labor is using all its influence to have the individual buy Liberty Bonds. The organizations of labor, national and international, have led the way for the individual in that quite a number of them have bought Liberty Bonds and are purchasing them now. The Printers' union bought \$50,000 worth, as also did the Glass Bottle Blowers' union. Numerous other unions have made purchases of the bonds and still more will do so. Labor, therefore, urges upon the individual particularly to purchase Liberty Bonds as a matter of patriotism, in that it will not only establish a demarcation between democracy and autocracy, but that Liberty Bonds will wipe out autocracy.

The wage earners of our country should buy Liberty Bonds because after resuming the age-long struggle for political, religious and industrial liberty, they can well say with Hezekiah Butterfield that "the blue arch above us is Liberty's dome and the green fields beneath are equality's home."

While the home of this equality is yet to be worked out and attained, we feel that it will be accomplished when our flag does its part in making the world safe for democracy.

SUIT FOR RECEIVERSHIP

Against Inter-Southern Life Insurance Company, Filed By Attorneys For Mason County Stockholders, To Be Dropped.

Louisville, Ky., October 19 — An agreed order, containing the statement that S. A. Shanklin and Mrs. Shanklin and their two daughters, Agnes Shanklin and Mrs. V. C. Robb, did not authorize the filing of a receivership suit against the Inter-Southern Life Insurance Company last Saturday, and also petitioning the Jefferson Circuit Court to strike the action from the record, was brought to Louisville last night by Ellsworth Regenstein attorney and agent of the insurance company at Maysville, and he said will be filed here today.

Eugene R. Atkinson, one of the attorneys for the Shanklins, stated last night that the suit was authorized, otherwise it would never have been filed, and that when the order is entered in court today he and his associates representing the plaintiffs will file affidavits as proof of the fact that they were employed to take the action.

The order brought to Louisville by Mr. Regenstein was signed by Mr. Shanklin and his wife and daughter, Agnes. The name of Mrs. Robb was not attached because it is said, she is a resident of Florida. The document was attested by W. D. Cochran and E. L. Worthington, Maysville attorneys, representing the Shanklins, and by Mr. Regenstein.

Mr. Regenstein said that the Shanklins learned for the first time that the suit had been filed in their name when a Sheriff at Maysville called at their home to serve them with a summons to appear in Louisville to give depositions.

Sweeping denial of all charges made in a receivership suit filed yesterday. Besides answering the charges preferred by four Maysville, Ky., stockholders who filed the action the company asks \$100,000 as damages.

The suit was filed for the purpose of injuring the concern's credit and business, the answer charges.

The company makes its answer a counterclaim against plaintiffs and ask that it be given damages in the sum of \$100,000 and that the petition be dismissed.

Rev. Roscoe Murray will preach a trial sermon at the First Baptist Church tomorrow at both morning and evening services.

MOVING PICTURES ON MERCHANDISING

Practical Ideas Along Lines of Efficiency To Be Shown to Merchants, Clerks, and Professional Men—Expert Lecturer With Pictures.

Every successful merchant in business at the present time is utilizing every means possible to help him advance and build up a better trade. Realizing this the Chamber of Commerce has secured one of the most instructive, educational moving pictures ever put on the screen, entitled, "The Troubles of a Merchant and How To Stop Them." The picture will be shown at the Gem Theater on Thursday, October 25th, at 8 o'clock.

W. J. BURNS

The film is a three-reel Essanay feature and is brim full of ideas relating to retail business. It shows an old-style store building, high windows preventing a good display of goods, bad arrangement of stock, lack of proper management and no system, which makes the clerks indifferent—resulting in the proprietor almost being a failure. The scene changes, however, when the merchant concluded to adopt system—the store takes on an attractive appearance goods are displayed so they will attract the attention of the customer the clerks become more valuable through courteous and prompt attention to the trade—in fact, there is such a transformation that new customers are attracted to the store, and the merchant again becomes prosperous.

Mr. Burns will lecture with the pictures. By aid of stereopticon slides, he will deal with the following subjects:

1. Retail failures and their causes.
 2. Store organization.
 3. Newspaper advertising.
 4. Window displays.
 5. Clerks' efficiency.
 6. Selling methods.
 7. Credit business.
 8. The delivery problems.
 9. System in retail business.
- This lecture was secured through the courtesy of the National Cash Register Company, of Dayton, Ohio. It has received the highest commendation from business organizations wherever it has been shown.

There will be no charge for admission and every business man and clerk in the city should take advantage of this unusual offer.

The regular semi-monthly meeting of the Grocers Association was held in the Chamber of Commerce Thursday evening. A majority of the grocers were present. Very favorable reports were made by the committee appointed to wait on the grocers and obtain memberships. Most all the grocers visited by the committee, expressed their intention to witness the illustrated lecture to be presented at the Gem Theater Thursday evening. This lecture is confined to the merchants and clerks, and the invitations must be presented at the door.

After a general discussion on better business methods for the grocers, a committee was appointed to work out a plan that will mean very much to the members of the local association. Each member agrees to serve as a committee of one to obtain some fellow grocermen to join, who has not as yet become a member. The members of the Association are very enthusiastic over the idea of having a booth at the Corn and Tobacco Fair.

No little amount of effort is being put forth to make the Maysville Grocers Association exhibit the finest of the lot. An educational campaign is planned for this exhibit. The grocers want the customers to know that their organized effort is going to help both the distributors and consumers.

The teacher training books for the special class in the Christian Church have come and will be distributed at the Bible School service Sunday morning. Any person whether connected with this school or not may join this class will likely meet for an hour Thursday evening of each week.

ANNUAL CONVENTION

Of Ohio Valley Improvement Association To Be Held at Evansville, Ind., Next Week—Good Representation From Maysville To Be Present.

Those who are interested in the improvement of the Ohio River are requested to attend the Twenty-Third Annual Convention of the Ohio Valley Improvement Association which will be held at the Hotel McCurdy, Evansville, Ind., October 24 and 25, 1917. Owing to a misapprehension there is an impression in some parts of the Valley that the completion of the improvement of the Ohio River is assured. An action by Congress, several years ago, declared that the work should be finished in twelve years.

Since that time vicious attacks have been made upon the rivers and harbors appropriations generally; and attempts have been made to defeat the bill and with it the regular appropriation for the continuance of the work now under construction. The present Congress made the usual appropriation of five million dollars for the Ohio River and the vote on the passage of the Rivers and Harbors Bill was very flattering; but it will take continual effort to maintain our standing with Congress and secure the necessary money to complete the improvement of the river. The necessity for transportation by reason of the war, makes it imperative that the river be made navigable at the earliest possible moment. The economic value of this improvement to the whole country will be strongly impressed upon Congress, by a largely attended and enthusiastic convention, thereby it will be shown that neither faith nor interest in the project have been lost by the people of the Ohio Valley.

Many new features will be included in the program and one of the most interesting will be the address of Colonel Lansing H. Beach of the Corps of Engineers of the United States Army, whose remarks will appeal strongly to every friend of the improvement of the River.

A good representation is planned for Maysville. Its things we go after that we get. Let the local Secretary know that you expect to go with our delegation. You will enjoy and profit by the trip and come home with that enthusiasm that we need to advance the work of improved River Transportation.
